

Applicant(s): Ross C Willoughby and Edward W Sheehan  
Appn Title: Laminated Tube for the Transport of Gas-Phase Ions or Charged  
Particles

**Amendment A (continued) (page 2/2)**

**REMARKS**

The above amendment is provided to change the title of the invention and in response to the statutory requirement that applicant insert a reference to applicant's PPA. In addition, to refer to related previously filed patents.

Very Respectfully,

Ross C Willoughby
